**TOUR DETAILS**

**Day 1:** We depart our chosen airport directly to Rovaniemi. Where possible, aircraft with onboard video entertainment will be provided. Subject to crew co-operation there will be a traditional Christmas sing-along on board. As we slip through the Arctic Wilderness we wonder what experiences might unfold before our very eyes. For sure this is a very special steam train, full of surprises. Lets wait and see how our imagination might become reality. We know that we are headed somewhere to destinations we know not where, even if our ticket does not provide that clue. But to a destination we surely go . .

Upon arrival is Santa waiting? No, this is only the end of the line and our experience continues by bus. Further, further into the Arctic darkness we will drive along roads where the only traffic we may encounter could be Santa's very own reindeer before arriving in Luosto, a small village known to be one of Santa's favourite locations. Here we will secure sustenance, warm overclothing and boots on loan and beds in our chosen accommodation.

**Day 2:** Following a substantial breakfast we are about to embark on our bus to find Santa Claus. During our activity period we will enjoy reindeer rides and husky rides and participate in snowmobiling with snowmobiles for both children and adults alike. Have no fear, we will find Santa. The conductor assured us of this fact and we do know that Santa never disappoints children who have travelled so far to see him. Before we know it we are enjoying a last meal in Luosto before returning to Rovaniemi for a return flight to the United Kingdom during which dinner will be served.
