Enjoy two days in this unspoilt location availing of husky, reindeer and skidoo rides as well as an individual family meeting with Santa in one of his log cabins at Suomu.

TOUR DETAILS

Day 1: It's time to go in Search of Santa as we fly from our chosen airport directly to Rovaniemi. Breakfast will be served during the flight and where possible aircraft with on board video entertainment will be provided. Where airlines on board crew co-operate there will be a traditional Christmas sing a long. Following our arrival in Lapland we will transfer to the resort of Suomu where accommodation will be provided in cabins or rooms according to your choice. Late afternoon and early evening following the issue of your warm overclothing and boots to protect you from the cold one joins in some simple snow games, tobogganing tug of war, snowmobiling etc. A buffet style dinner will be provided for all with additional childrens favourites (such as hamburgers chicken nuggets etc) surely on the menu.

Day 2: Following a substantial breakfast it's now time to locate Santa Claus and we undertake an early morning departure by skidoo and sleigh directly from the hotel area to a secret location where a host of activities await. Here one finds reindeer, huskies and the opportunity for snowmobiling plus other snow based activities and of course Father Christmas. Families will have the opportunity to meet the great man himself and discuss their Christmas wishes. Lunch will be taken back at the Arctic Circle Hotel.

This afternoon we will depart back for Rovaniemi being aware that we still have the pleasure of visiting Santa Park a small theme park located underground close to the Arctic Circle shopping centre, prior to your return to the United Kingdom.
