

**4 Day Post Christmas Fully Inclusive**

# Intermezzo at Luosto

An ideal tonic for those post-Christmas blues could well be a three-night adventure holiday in Lapland. Filling the gap between Christmas and the New Year, one still retains a true festive spirit whilst enjoying some of the most unusual activities possible. Here one has the opportunity to participate in winter thrills without the spills. Imagine driving a motorised skidoo and testing your driving techniques in an Arctic Challenge. Then it's back to nature enjoying the thrills of a ride with a husky team and rides with reindeer. Yet, when the day ends, one can retire to wonderful log cabins, which in

our opinion are amongst the very best in the North of Finland. If you and your family are lured by the call of the wilds, and wish to experience the life of the average arctic explorer, yet fall back each evening in a comfortable bed, this is the tour for you.

## Festive Christmas Offers

### AN OPTIONAL VISIT TO SANTA

Christmas has passed and Santa will be resting following his arduous duties. He nevertheless always welcomes children visiting him in his homeland.

As one of the afternoon children's entertainment activities, a visit directly to his cabin high in the fells will be arranged for any interested parties. Reservations need to be made on your arrival night at the resort. Please note Santa's Special Elves are resting and therefore do not appear on this tour.

SOUVENIR LICENCES

### FREE SPECIAL SOUVENIRS

On leaving Lapland you will receive a selection of souvenir licences to commemorate your visit to Lapland. These will include an Arctic Circle crossing

certificate and licences covering your activities with reindeers, huskies and snowmobiles.

### OUR CHILDREN'S ENTERTAINERS

provide fun for all.

### QUESTIONS YOU MIGHT ASK

Isn't it going to be very cold outside for hours and what about toilet facilities? Given the Arctic weather conditions and lack of toilet facilities this could be a problem. In your interest, we transfer clients between various activity centres (skidoos, reindeers, huskies etc.) by coach, duration approximately 20 minutes. Coaches are heated and provide toilet facilities so one can easily warm up, and you do not have to fear using poor outdoor toilet facilities.
