MAGICAL EFFECTS

In striving for excellence we are continually trying to improve the quality and magic of our tours. All children know that Santa has the magical ability to fade away. Naturally, here in Lapland all things are possible and we have asked the elves that, in connection with our overnight tours to Olos Resort, we are permitted to experience these special magical effects so that everyone can be aware that they are meeting the real Santa Claus. It should always be remembered that not everyone will see these phenomena, for on some tours the local Arctic conditions may not be suitable for their operation. But if your party is fortunate to experience these delights, there can be little doubt in your child's mind that, at last, they have seen and met the original Father Christmas.

QUESTIONS YOU MIGHT ASK

Isn't it going to be very cold outside for hours and what about toilet facilities? Indeed given the lack of toilet facilities and Arctic weather conditions on the face of it, this could be a problem. In your interest therefore we transfer clients between various activity centres by bus, duration approximately 20 minutes between locations. As buses are heated and provide toilet facilities one can easily warm up and you do not have to fear using poor outdoor toilet facilities.

"Going to see Santa was great and we liked his house and our presents. Our favourite elves were Snowy Bow (Hannah) and Speedy Sam (Jack). We built a huge snowman and absolutely loved sledging and made lots of new friends." Jack and Hannah (5 years)

Traditional Lappish Cuisine (Optional)

If you would like to eat typical Lappish fayre for dinner during your visit to Luosto, it is possible to dine at Kertulli's, a small restaurant with waiter service, located opposite the hotel and within walking distance from the cabins. Typical Lappish meals are built around soups (mushroom, salmon etc), main courses tend to offer reindeer in various forms, and desserts, Lappish style cheese, berries etc. The restaurant permits you to select

totally from its A La Carte menu and can offer child-friendly meals (pizza etc.) if required. A supplement is charged (see price panel). Bookings must be made at the time of your initial holiday reservation and cannot be booked locally in resort. Reservations can only be accepted for the full tour duration. Prices do not include drinks of any nature, which should be paid for locally when consumed. Kertulli's is also an ideal wedding reception venue.

TOUR DETAILS

Day 1: You'll fly from your chosen airport to Lapland where, upon arrival, you will be transferred to Luosto and your accommodation as described on page 7. Watch out for Tricky Dicky the elf. Who knows what tricks may be played? Allow us to bring the magic of Christmas to your heart as you relax and enjoy a welcome dinner.

Day 2: Breakfast at the resort. Will today be the day you find Santa? An adventure is planned for today where you will experience snowmobiles, husky dogs and reindeer. We hope that Donner and Blitzen will give your scouts advice as to Santa's location, but fear not, if you do not find him today there is still plenty of time for your search. Will you see Snowy Bow or Speedy Sam who may be able to help you? Listen out for Noisy Nod - will he lead you to Santa? Lunch will be provided at an outside venue. This evening back at Luosto dinner will be provided.

Day 3: Enjoy breakfast at your allocated restaurant. Today is a day of total relaxation, to enjoy the facilities of the area. Should you choose, it is possible to undertake cross-country or slalom skiing (payment for any equipment and lift usage to be made locally). Alternatively you may enjoy one of the included services within the tour programme. Enjoy children's entertainment, a toboggan championship and the opportunity of escorted walks to the top of Luosto Fell for a potentially fine view of the overall area. There will also be a series of optional excursions, provided by a local supplier at additional cost. Lunch and dinner will be provided in the log cabin or hotel restaurant, as advised on your itinerary.

Day 4: Following breakfast snowmobiles, reindeer and huskies will once again be used at various locations whilst our search continues. Travelling across prepared tracks in an area known for its peace and tranquillity is a truly exhilarating experience. Lunch, once again, will be taken at the most appropriate time and setting. Father Christmas is known never to disappoint children taking the time and trouble to visit him, and if you were not able to meet him as yet, for sure, today will be the day for that very special encounter. Enjoy a farewell dinner in the restaurant recounting the day's pleasures.

Day 5: Breakfast at the resort a choice of activities is offered for your final morning here in Luosto. Join in our mini snow games where you can try your hand at our tug of war competition. Alternatively, simply enjoy the pleasures of tobogganing or relax and enjoy the resort facilities. Lunch will be taken in Luosto and there will be the opportunity to buy souvenirs of Lapland enroute to the airport before transferring back for your return flight to the UK.
