QUESTIONS YOU MIGHT ASK

Isn't it going to be very cold outside for hours and what about toilet facilities? Indeed given the lack of toilet facilities and Arctic weather conditions on the face of it, this could be a problem. In your interest therefore we transfer clients between various activity centres by bus, duration approximately 25 minutes between locations. As buses are heated and provide toilet facilities one can easily warm up and you do not have to fear using poor outdoor toilet facilities.

The opportunity to enjoy treasured moments in the beautiful resort of Pyha as we go in search of Santa. This is an ideal location for a magical encounter with the great man himself and a centre where fun is assured with a mixture of reindeer, husky and snowmobile transportation awaiting. Here too you will encounter Santa's special elves (see page 4) who play their part in ensuring it will be a fun experience in search for Santa in such a magical Lapland.

TOUR DETAILS

Day 1: Our destination today is Rovaniemi.

Where possible aircraft with on board video entertainment will be provided and subject to crew co-operation there will be a Christmas sing a long. Following our arrival, transportation will be provided to Pyha where you will be accommodated in the accommodation of your choice. Watch out for Tricky Dicky the elf who may mislead you in your search for Santa. Enjoy a welcome dinner in the main restaurant of the complex. Overgarments and boots will be allocated on arrival.

Day 2: Following a substantial breakfast it's time to go in search of Santa Claus. Here in this magical land we are sure to enjoy rides with Santa's very own reindeer. Then there's the huskies awaiting and the opportunity to enjoy a ride on the snowmobiles. Look out for Santa as we are sure you will at the very least spy him and his elves at one or more locations during your day. Will the special elves help you find him today or is that special treat reserved for tomorrow? Lunch will be provided at an outdoor venue and dinner will be at the main restaurant of the complex.

Day 3: Following breakfast once again we will use reindeer, huskies and snowmobiles with lunch at selected venues. If we were unsuccessful in our search for Santa yesterday then for sure he must be found today before we leave for home. It is known that Santa never disappoints children visiting here in his natural homeland and each family is assured a warm personal welcome. With help from his special elves we know for sure that he will be found. Early afternoon we depart back to Rovaniemi for our flight home to the United Kingdom.
